LORD AND LADY LURGAN CHARITABLE TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 DECEMBER 2018

Policy and activities

In applying the yearly income of the Charity, the Trustees have a policy aimed at the particular personal interests of both the late Lord and Lady Lurgan. Arts and Music as one of those interests continues to be reflected and grants were made to the Junior Fellowships of the Royal College of Music in funding the junior fellowship a bursary of £10,800 for John Cuthbert and others which the Charity has done since 1999.

The grants made to United Kingdom charities include medical causes with an emphasis on research. Grants are also given to charities in Northern Ireland. Grants are not made to individuals.

Grants paid in the year to United Kingdom charities are divided between the following categories:

	2018	2017
Arts and Music / (Training and Education)	32,500.00	35,500.00
Medical	4,000.00	6,000.00
Deafness/Blindness	2,000.00	3,500.00
Elderly	2,000.00	-
Hospices	4,000.00	4,500.00
Northern Ireland	10,000.00	5,500.00
	<hr/>	<hr/>
Total	£54,500.00	£55,000.00
	<hr/>	<hr/>

The charity receives a large number of applications many of which fall outside of the policy adopted by the Trustees. The Trustees meet at least twice annually to consider applications and review the grants previously awarded.

It is intended that approximately one quarter of the funds available will be distributed to charities in South Africa, where Lord and Lady Lurgan spent the latter part of their lives.

Financial Review

The net annual income of the Charity was £15,233 (2017 – £13,260). **The total return was £ (%) (2017 – £58,319 (7.9%))** before charitable expenditure of £82,923 (2017 - £82,640).

The investment benchmarks have been set at 20:80, fixed interest: equities, but the managers have discretion either side of the benchmarks. At the balance sheet date the allocation was 71.4% (2017 – 73.8%) equities and 28.6% (2017 – 26.2%) cash, fixed interest and alternatives.

Under the governing document the Trustees have wide powers of investment. The investments are managed for the Trustees by Cazenove Capital Management on a discretionary basis. The investments are held in the investment managers' nominee name.

Risk identification

The Trustees have identified major risks to which the charity is exposed. These risks have been reviewed and systems have been established to mitigate these risks.

Grants

Grants of £69,500 (2017 – £69,633) were approved during the year, representing % (2017 8.9%) of assets as at 31 December 2018.

LORD AND LADY LURGAN CHARITABLE TRUST REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2018

Reserves and future commitments

In accordance with the wishes and intentions of the late Lord and Lady Lurgan the endowment that has been bequeathed to the charity which although technically expendable has been to retain as a long term Endowment Fund to provide the income which will be expended in achieving the objects of the charity. The Trustees have adopted a strategy to maintain a minimum annual charitable expenditure at 7% of the charity's assets based on the value at the previous balance sheet date. It is not anticipated that the Trustees will make forward commitments that they will not be able to meet out of anticipated total return in accordance with this policy.

At 31 December 2018 the Unrestricted Fund was fully expensed. The Trustees do not consider a specific reserve is appropriate on the basis of the principles they have adopted as set out in this report.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and UK Accounting Standards (United Kingdom Generally Accepted Accounting Practise). The Trustees present their report and the independently examined financial statements of the charity for the year ended 31 December 2018. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and estimates which are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports Regulations 2008, and the provision of Trust Deeds. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**LORD AND LADY LURGAN CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 DECEMBER 2018**

1. Accounting policies

The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to provide grants in line with the objects of the charity as set out on page 2.

(a) Accounting convention

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Practice as it applies from 1 January 2015.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The charity adopted SORP (FRS 102) in the current year and an explanation of how transition to SORP (FRS 102) has affected the reported financial position and performance is given in note 12.

(b) Funds Structure

Endowment funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects.

(c) Incoming resources

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Investment income comprises listed investment income and interest.

All current year and prior year income relates to unrestricted general funds.

(d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

Grants payable are payments made to third parties in furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. All current year and prior year expenditure relates to unrestricted funds.

LORD AND LADY LURGAN CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 DECEMBER 2018
(Continued)

(e) Realised and unrealised gains

All gains and losses are taken to the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value. Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value. Realised and unrealised gains are not separated in the Statement of Financial Activities.

(f) Investments

The investment portfolio is valued at market value at the balance sheet date. Listed investments are taken at mid-market prices quoted on a recognised stock exchange and unlisted investments are stated at Trustees' valuation. Gains and losses on revaluation are taken to the Statement of Financial Activities.

(g) Debtors receivable within one year

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(h) Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(i) Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

(j) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

(k) Foreign Currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included under other incoming resources.

(l) Judgements and key sources of estimation uncertainty

Due to the simple operations of the entity, the trustees do not consider there to be any key accounting judgements or estimates that have a material impact on the financial statements.
